## **About Baltimore Ravens**

Entering their 24th year of existence, the Baltimore Ravens are just one of four NFL franchises to win multiple Super Bowls since the turn of the century. Under head coach John Harbaugh, who arrived in 2008, Baltimore has posted the NFL's fifth-most total victories (114), won the league's second-most playoff games (10), advanced to an impressive three AFC Championship contests, and in 2012, captured the World Championship in Super Bowl XLVII. The Ravens, who also won Super Bowl XXXV during the 2000 campaign, have made the playoffs in eight of the past 13 seasons – producing four AFC North Division titles during this time (2006, 2011, 2012 & 2018).
